

# Puakō and South Kohala Regional Wastewater Master Plan

## Clean Waters for Reefs Puakō, Hawai'i

Based on the public feedback received on the Project Definition Report (published in June 2023), the County of Hawai'i, Department of Environmental Management has prepared a [Draft Regional Wastewater Master Plan for Puakō and other communities within the South Kohala District](#). The regional area covers the South Kohala Community Development Plan's four focused area plans for the communities of Puakō, Kawaihae, Waimea, and Waikōloa Village. The Draft Regional Wastewater Master Plan provides recommendations for regional area wastewater infrastructure through a 30-year planning period, 2022 to 2052.

As the proposing agency, the County is seeking public input on the Draft Regional Wastewater Master Plan from February 9, 2024, through April 22, 2024. Please submit any comments or questions by scanning the QR code or visiting: <https://pbrhawaii.commentinput.com/?id=rsQEVNj5T>

Additionally, the County is hosting two public workshops, seeking public feedback on the Draft Regional Wastewater Master Plan. The first workshop will be held online:
